

POWER PULSE

LED Bluetooth® Speaker

- FEATURES:**
1. ON / OFF
 2. Play / Pause / Answer Call / End Call
 3. Previous Song / Volume DOWN
 4. Next Song / Volume UP
 5. Turn lights ON / OFF

1

PACKAGE CONTENTS

- LED Bluetooth® Speaker
- 3.5mm Aux Cable
- Micro USB Charging Cable
- Operation Manual

KEY FEATURES

- Color flashing LED lights
- Compatible with most Bluetooth®-enabled devices
- Lightweight and portable design
- Great for travel

SAFETY INSTRUCTIONS

Keep the unit away from heat sources, direct sunlight, humidity, water and any other liquids.

Do not operate the unit if it has been exposed to water, moisture or any other liquids to prevent against electric shock, explosion and/or injury to yourself and damage to the unit.

Do not use the unit if it has been dropped or damaged in any way.

Repairs to electrical equipment should only be performed by a qualified electrician. Improper repairs may place the user at serious risk.

Do not puncture or harm the exterior surface of the product in any way.

Keep the unit free from dust, lint, etc.

Do not use this unit for anything other than its intended use or purpose. Doing so may damage the device.

This product is not a toy. Keep out of reach of children.

Do not use the unit at excessive levels as this may damage hearing.

Do not expose batteries, battery pack, or installed batteries to excessive heat, such as direct sunlight, or open flame.

2

CHARGING THE SPEAKER

The speaker comes with a built-in rechargeable battery. Before using it for the first time, we recommend you charge the battery fully. Only use the supplied USB cable to charge the speaker.

Connect the USB cable to a computer USB port and the USB plug to the charging jack of the speaker. The red LED light will illuminate while the speaker is charging.

A full charge of the battery takes around 2-3.5 hours. When the battery is fully charged the red LED charging indicator lights will turn off. At this point, disconnect the speaker. The speaker will then be ready for use.

TURNING SPEAKERS ON/OFF

Power On: Press & hold the "POWER" button that is on top of the speaker.

Power Off: Press & hold the "POWER" button that is on top of the speaker.

To Connect:

1. Press & hold the "POWER" button that is on top of the speaker. The lights will start blinking.
2. On your device, make sure that Bluetooth® is enabled.
3. Search for "Power Pulse" within your Bluetooth® settings.
4. Once the speaker & your device are synced, you will hear beeping and see the lights blink. Repeat the previous steps if pairing is unsuccessful.

SPEAKER OPERATION

Connect the speaker via Bluetooth® or AUX cable.

To turn the lights ON/OFF, press the LED light button on top of the device.

To change tracks, press the "-" and "+" buttons.

To adjust volume, press and hold the "-" and "+" buttons.

FCC Compliance: warning: changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: this equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio

4

frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
